Dear Paul-

Sorry not to have answered sooner, but I'm thoroughly tied up trying to get away to CSH. We're sorry, of course, not to have you with us next year, but I'm sure you would not have regretted either alternative decision. The best of luck to you.

Perhaps if we can get together in Minneapolis this September, we can discuss the possibilities of other means of getting off to a good start in microbial work. Please give our best to Elizabeth and Carl.

Yours sincerely,

Joshua Lederberg
